# INTRODUCTORY SPECIAL

## GET LISTED FOR 18 MONTHS AND ONLY PAY FOR 12!

### I need your help...

Shore2Shore is a new web site that aims to list as many South African accommodation venues, restaurants and places of entertainment as possible. I plan to keep the site plain and simple and not cluttered with other advertising. But it's not going to work without listings! That's where you come in.

I am offering you the chance to list your business for 18 months at the regular price for 12 months to help the site get off the ground. To take advantage of this special offer either visit the web site or email me. I look forward to partnering with your business.

Regards

*Steven Herbert*
